

Crime Fund dollars have supported:

## TAKE IT TO THE BOX

A growing concern in our community is the abuse, by youth and others, of medications not

prescribed to them. Safe disposal makes medications less available. Proper disposal of medication helps protect our soil and water. Unsafe disposal of medications can contribute to environmental damage.

**Take unneeded prescriptions & over-the-counter medication to:**

Law Enforcement Center  
Main Lobby Area  
611 West Main Street

## BIKE SAFETY

Please join us for  
**Bike Safety Day**  
at the YMCA  
**May 20th**  
from  
**4:00 to 7:00 p.m.**

## MOST WANTED

The Top 10 List was created in 2009. As of April 8, 2013 this has helped to clear **167** warrants. The community assistance has made a huge impact in helping to make Marshall a safer place to live and work.

Crime fund dollars were paid to citizens that offered information that led to the arrest and conviction of suspects involved in cases ranging from burglary, assault, theft, receiving stolen property & motor vehicle theft.

## NATIONAL NIGHT OUT

**Tues., Aug. 6, 2013**  
**3:30 – 7:30 p.m.**  
**at Justice Park**

Enjoy food, entertainment and learn about safety in the community.

**"Catch the Burglar"**

## TRAFFIC SAFETY

The trailer has been useful for statistics and speed reduction. If you would like to request the trailer be placed on a particular street, please call 507-537-7000 or email [marshallpd@marshallmn.com](mailto:marshallpd@marshallmn.com)

**Consider donating!**

If you believe that crime prevention & public safety are important, we would appreciate your contribution.

Remember that your contribution is **tax deductible**, and that all funds stay in the Marshall area.
